Range News—Nancy Tidwell

APRIL 2015—The Pow Wow has come and gone. We had anticipated a lower than normal turn out but the archers around the Western States made sure we had a large turnout. 184 participants for the weekend.

Of those there were about 10 "Jed's". The Woodlake group found hats like our

Notes from the Editor—Nancy Tidwell

APRIL- There are still a few shoots left for the spring. Fresno Safari is next and of course we still have the CBH Broad-Head Shoot at Lodi this year.

This year our shooters

donated \$161 to the CBH Legal Defense fund and KRA will match that as promised. The Legal Defense fund helps us defend our hunting rights. If you're not a member go to the CBH website and sign up.

IMPORTANT!

OLD /NEW BUSINESS: Pres. Jed will be setting up a board meeting soon.

We've recently lost a long time member, Gary McCain's aunt, Gladys McCain. She had been involved in archery from the late 1950s to now! Our sincere condolences go out to the McCain family.

Old and New Business: interesting tidbit, Jim Fletcher who is 90 years old, visited us at the PowWow! He was one of the early supporters of the Kern River Archers! He really enjoyed visiting and meeting people!

If 6 trees that need to come down, we need to paint the outside of the clubhouse, and the booster pump needs attention. We would like to see the fire extinguisher get

serviced or replaced. And would just like to say Great Shoot, Great Help, Smooth Shoot, more help please! lol

GOOD OF THE ORDER:

The drawing for attendance would've been won by Dana Haynes, who wasn't here! The pot was \$53!

A motion to adjourn the meeting at 7:07 PM was made by Rocky, and seconded by Nancy
