Range News—Nancy Tidwell

AUGUST 2015—This coming weekend is a work party Saturday. If you get this newsletter before the weekend and don't have plans come up Saturday. Most of the work will be outside work but any help is appreciated.

The HIGH SIERRA SHOOT is around the corner. Jed is

doing double duty to make sure everything is going to be ready to go. We need to work together to make sure everything is ready.

There will be more work parties scheduled later in September and October. There is an Open Shoot on Sunday for those who want to come back

up and shoot.

There is a mother who has inquired about archery lessons for her daughters age 10 and 7. If there are any takers please email me.

Thanks...Nancy

Notes from the Editor—Nancy Tidwell

AUGUST- San Francisco Archer 2 Million BC shoot. Cassidy and I attended along with Jed. First time there, it was a different set up but we had a terrific time. We discovered on this bird that chickens do have nuggets and I kept hitting them.

But we did have fun and got to see Pier 39 and Santa Cruz.

Special points of interest:

- Time change for the Sunday Shoots start at 8:00 a.m. for the SUMMER.
- Whenever you visit the range, you must sign in and carry you card.
- When you're at the range take a moment and just enjoy how much effort has been put into keeping the range up, then thank someone you know who has been there. It makes the difference.

Kern River Archers Meeting Minutes August 11, 2015

The August 11, 2015 meeting of the Kern River archers was called to order at 6:30 pm by Pres. Jed Kern. Secretary Stefanie Kern did not read the minutes from the previous meeting, and they were approved as not read.

PRESIDENT REPORT: it's been 2 months since I've been at the range; it's been a very busy summer! I will however be at the work party on August 22. Went to the shoot hosted by the San Francisco archers, it was a lot of fun but I have to say that the food and such doesn't compare to ours! While there we got a lot of compliments on our shoots! By the way, I got to shoot with Nancy Tidwell and her granddaughter Cassidy! We're gearing up for the High Sierra, and so far everything is on target! I would still like to have a few meetings a year up at the range so that we can include our members in the Lake Isabella area.

Remember There Are No Broadheads Allowed on the Range

VICE PRESIDENT REPORT: Open Position

SECRETARY REPORT: None

TREASURY REPORT: Not Present

CLASS CHAIRMAN: I was up last weekend and saw Herb and Ken!

RANGE COORDINATOR: There's a big tree down at target number 11, so will need help with cleanup at the work party. We need to rotate the 40 yard target at the practice butts; it's getting a little hard in the middle.

We will also be doing some weeding and basic cleaning up around the range. The platform at target 7 is done but still needs markers. Regular targets of been ordered, and I'm going to order Rinehart targets. The new trees are doing well overall, but a few need help. Al Chavez made a motion to order 10 carpet bales with Woodlake at \$400 apiece plus shipping, Nancy Tidwell 2nd the motion, motion passed.

Committee Reports:

BOWHUNTER LEG. REP.: **AWARDS:** we've learned that D9 is closed and you can no longer trap bobcats.

EDITOR: If there are any items that Club Members want to see in the newsletter please email the request to Nancy @ kranewsletter@aol.com

REFRESHMENT CHAIRMAN: there are drinks on the range in the clubhouse so help yourself. It's very easy to get dehydrated when it's so hot!

AWARDS CHAIRMAN: awards are almost done, but we need parts. Bob made a motion to allot \$400 for this expenditure and Nick 2nd the motion, motion passed.

WEBMASTER: All pictures welcome!

ODC: The High Sierra is coming up and along with that is our raffle. I may be biased, but I think we have the best raffle going! Any and all donations are greatly appreciated, and if there's anything I can do to
