## Range News—Nancy Tidwell

JULY 2015—Time changed again for the shoot. Those that show up to shoot decided that 7 a.m. is WAY to early to get up and drive to the range. We are moving it back to 8 a.m. This weekend is the July Open Shoot for those who want to head up there. I'm not sure I want to get out in the heat but I need to

shoot so you guys and gals who go up there may see me. Its almost time for the High Sierra and we have our work parties set already.

Look in the minutes from the meeting to find out when you need to be there.

Thanks

## Notes from the Editor—Nancy Tidwell

JULY- I don't see much activity going on except for Gary and Sandy so when I get some information that you all might enjoy I will put it right here on the front page. There are a few of us going to a range up north in

Pacifica in 8 days. I will take pictures and post for you. If you have anything you want to add just email me.

See you on the ranges.
