Range News—Nancy Tidwell

MAY 2015—The Spring shooting is coming to an end. Soon it will be time to concentrate on the range and to have some fun shoots as well. Corene has already began working on improving the shooting areas for the Invitational Shoots so there is room for more shooters. This will help the bottleneck at some of the targets. It has been requested that an email go out as a reminder when our shoots are, not just the invitational's. All those with an email address will start getting reminders of the shoot day, the start time and what type of targets that will be on the range to shoot. As well as any activities that are planned for the day. Our goal is to get enough active mem-

bers at the range to hold a Club Championship Shoot later on in the year and to start posting for the Perpetual awards again. Everyone who shoots needs to leave their score on the sign in sheet in the book at the registration desk, this way the score can be recorded for the perpetual awards.

Notes from the Editor—Nancy Tidwell

MAY- SUNDAY shoots are going to start changing...On the 2nd and 4th Sunday of EACH month the Club opens the range for anyone to come up and shoot the range. The only caveat is the fee. \$5 for members \$10 for non-members. This helps us pay for the targets. It has been found

that some members are bringing guests and no one is paying. Going forward if you are on the range on those Sunday's and choose not to pay you will be restricted to only shooting the targets at the practice area. Any new targets on the range are for those who pay each time.

Special points of interest:

- Time change for the Sunday Shoots start at 8:00 a.m. for the SUMMER.
- Whenever you visit the range, you must sign in and carry you card.
- When you're at the range take a moment and just enjoy how much effort has been put into keeping the range up, then thank someone you know who has been there. It makes the difference.

Kern River Archers Meeting Minutes May 12, 2015

The May 12, 2015 meeting of the Kern River archers was called to order at 6:31 pm by President Jed Kern. Secretary Stefanie Kern read the minutes from the previous meeting, and they were approved as read.

PRESIDENT REPORT: Paul Cooper has stepped down as vice president of our club, due to having too much going on. We will address this at the upcoming board meeting. Our range caretaker Larry Bergeron passed away last Tuesday. Ronnie Isbell is in the hospital at San Joaquin, room 4118 B. Went to the Fresno shoot and had a wonderful time! We also won a special award for having the most archers from one club at their shoot! Also went to the Conejo shoot and had a great time! Archers are a diverse group of people, glad we have them all!

VICE PRESIDENT REPORT: None

SECRETARY REPORT: None

TREASURY REPORT: Terry Stone gave the treasury report.

CLASS CHAIRMAN: None

If anyone is interested in going to any of the upcoming shoots you can give Jed, Al, or Rocky a call!

RANGE COORDINATOR: Was up the range a few weeks ago and had one complaint, targets too colorful! Guess he couldn't see his fletching.....

Our 21 or Bust Open Shoot had 4 shooters:

Chris - 420

Trent - 312 (pee wee)

Dusty - 400

Corene - 461

Our Achievement Shoot also had 4 shooters:

Chris - 312

Trent - 348 (pee wee)

Dusty - 326

Corene - 422

We're almost done with platform for target 7. We would like to put up a dry erase board outside the clubhouse for announcements: problems, snakes, work needed, etc. would also like to close the top 14 targets for achievement and open shoots. Remember, \$5 for members and \$10 for nonmembers. Had a thought about maybe having a potluck after achievement and open shoots. Let me know what you think. The 40 yard target at the practice bouts has arrows bouncing off, need to fix this.
