## President Update

by Nancy Tidwell

The Pow Wow is just around the corner. The date is March 30<sup>th</sup> and the 31<sup>st</sup>. The next work party will be March 16<sup>th</sup> and 17<sup>th</sup>. The paint party is at Paul Coopers on Saturday March 16<sup>th</sup>. The targets will get glued on March 14<sup>th</sup> at Paul Coopers. If you don't go to the range on the 16<sup>th</sup> to work, you can come to Paul's to paint. We have about 200 targets that need painting since it is early March, we will start around 9 am. If you are at the range Corene will have the work laid out for you to do.

This year, we are focusing on rebuilding the club member participation at shoots, work parties and meetings. It's part of being in a "club". When you sign up to be a member you should anticipate being an active member. Clubs like this do take a lot of work and the also require participation to make it fun.

I find it boring to walk the range by myself and shoot the targets. I find that I try to rush through each target so I can just go home. When there are more people shooting, I find I can take the time to relax and make a good shot. Plus, the competition is why we get into shooting, right?

Watch the dates and come to participate in the work and the shoots.

This year on April 6<sup>th</sup> we will shoot the Pow Wow targets and see how we do in comparison to our participant competition. We will start at 9 am so get there early to get your scorecard and put your name in the book. There is no cost for us to shoot the Pow Wow targets on Saturday April 6.

### President Update

#### Work Parties

There are work parties scheduled. This is the best time of the year to be at a work party. It's green and pretty in the mountains

## New Business

We will be needing help in the kitchen preparing meals for everyone, Shooters (the food stand) will need help as well, and registration will be needing extra assistance, so if you are interested contact either Jed Kern or any of the other officers. If this is your first year as a new club member and would like to shoot the Pow Wow and didn't already shoot the High Sierra, please let Nancy Tidwell know before hand!

## Good of the order

The attendance drawing was \$204.00 and would have been won by Gene and Bunny McMillan if they were here!
