President Update

by Nancy Tidwell

Last month we received the news (10 days before the shoot) that the Department of Fish and Wildlife had stopped negotiations with the Bureau of Land Management on our behalf. While we should have been enjoying putting on our annual Pow Wow we were taking our property off the range. Trying to figure out what we were going to do with everything we need to start another archery range.

It was bittersweet, we loved being there with friends but sad of the situation. I would like to thank everyone who showed up to help those two weekends. We really got a lot accomplished. A lot of people showed up to show support and help.

We (the club) have been through this a couple of times. Many of the "old timers" have reminisced those times. Today we are looking for some land

for a new range. We will be proposing to CBH very soon (June) to buy us property to build a new range. This will be an awesome opportunity BUT we need to know that we have support from the club members.

We intend to utilize our resources to get property close to Bakersfield. It's got to be supported by the majority of our club members. A handful of "old guys" and a handful of ladies cannot put do all the work that is needed to build a range from the ground up.

We need you to express your support and commitment to the club. You can call one of the Officers or Board members and/or show up to the meeting on May 14, same place as usual, Rusty's Pizza on Olive Drive.

We've got this!!!

Range Activities

by Nancy Tidwell

We are going to continue to be a club. We will continue to have meetings. We would like to have a league where we meet on a specific day of the week. I will have more details later. Location, Day, Time...

There is some talk of us borrowing an Archery Range to hold a fundraiser for the building of our new property. More details later...

We will continue to maintain our Website...and do as many updates as we can.

We are still a club. Please make it to the meetings for more accurate updates.

Go to other shoots, keep our club name alive...

Old Business

Pow Wow was cancelled. For those members who did not get the notice, DFW stopped the negotiations with us and BLM, The DFW would not give us anymore extensions.

New Business

The range has been emptied of our personal property and what we felt would be things we need to start a new range.

We are looking for property in the Kern County area to buy/lease.

We are looking at opportunities to put on a benefit shoot, with our Pow Wow targets, to help us earn money for the purchase of and setting up of another range.

We will continue to meet at the Rusty's Pizza Parlor every month to discuss club business.

We are looking at options to start a club league to be held possibly on Thursday's. More information will come.

Our new Web Master is continuing to develop and update our website so we can give more current updates.

Good of the order

There will be no Achievement or Open shoots, so take the opportunity to visit other ranges and shoot other shoots!

The attendance drawing was \$220.00 dollars and would have been won by Robert and Rosemary Moore, if they were here!

Stefanie Kern made a motion to end the meeting at 7:00 pm and Rocky Harris seconded the motion. So long and Goodnight!
