President Update

by Nancy Tidwell

Yes, we are still around. The loss is really felt, especially this time of year. I hope you are taking the time to visit other ranges. I've only been able to go to one other shoot; the Safari and I had a great time.

My apologies for the newsletter for May coming out in June with Mostly April information. My family has had it's share of losses in the past 6-months. We lost our grandson Brayden in November; we lost the range in March and we lost my younger brother on Memorial Day. This has taken a toll on my ability as the person I charge of Facebook and the Monthly Newsletter. Things will get better. We've got this!!!

In April, I took my 6-year grandson, Wyatt, to the Fresno Safari. I really want to thank Jed Kern and Paul Cooper for helping Wyatt understand and enjoy archery. (A note to their girls: they will make

AWESOME granddads!) They were patient with Wyatt and he enjoyed the shoot so well that at the end of the second day he said "this was so fun! I want to come back here again".

I also attended the Women in the Outdoors event where I have been the instructor for the beginning archery classes and the advanced class learned how to shoot at a tournament style shoot, each kept their own score.

Shooting the Elephant

Remember the first time you shot this elephant at 101 yds? Wyatt will not forget.

Thank you for allowing me to share my own activities.

Archery Activities

by Nancy Tidwell

This is the time of year when each member makes the decision to renew their membership with the Kern River Archers. This year will be a tough decision for some. Will I continue to support a club that does not have a range or will I run from the unknown? The dues are \$60 a year, the notices are sent out in June. We need commitment from everyone to support this transition to the unknown.

I have committed to continue to be President until we have our new place. I have committed to continue to write this newsletter each month so there is communication.

Our other board members and officers are committed to making sure we find the funding and the land that we can use to create another 4-star range.

We are currently discussing financing options and looking at potential purchase opportunities.

Thank you
